Representative Eliot Engel (D-New York)  
2426 Rayburn House Office Building  
Washington, DC 20515

Dear Representative Engel,

I wanted to inform you that Libyan Prime Minister Fayeze al-Sarraj will be in New York during the 74<sup>th</sup> United Nations General Assembly (UNGA) from Monday, September 23<sup>rd</sup> to Thursday, September 26<sup>th</sup>. I know Congress is in session, but in the event you are in New York for events surrounding UNGA, I wanted to determine if you are interested and available to meet. Prime Minister al-Sarraj will also be in Washington, DC for a limited time on Thursday, September 26<sup>th</sup> and Friday, September 27<sup>th</sup> if you can meet while he is in town.

As you know, despite the illegal, unprecedented acts by General Haftar, forces of Prime Minister al-Sarraj and the Government of National Accord (GNA) have held strong and have been highly successfully in blunting Haftar's efforts and recapturing territory illegally taken by the LNA. This is a particularly critical time for Libya and U.S. interests there. Libyan Government forces have scored several very significant military successes on the ground, and Haftar's forces are in an extremely vulnerable position. This has even led to Haftar's floating a trial balloon about assuming a role in a democratic government, a clear sign of weakness. It is critical that the U.S. help the Libyan government chart a successful path forward in continuing to fight ISIS, stabilizing and growing oil production, and unifying the country through stable, democratic institutions.

Prime Minister al-Sarraj is very interested in providing you an update on the state of affairs in Libya and his vision for the country.

Thank you for your consideration. I look forward to hearing from you.

Thank you,  
Joe
